CONNIE LUSH & BLUES SHOUTER

Voted Blues Singer of The Year for the fourth consecutive year, dynamic singer/song-writer **Connie Lush** delivers a powerful and raunchy mix of R&B and ballads together with her all-talented, all-rocking band. Unmissable!

THE JUKE JOINTS

Masters of rock and rollin' blues, **The Juke Joints** kick up a storm with American biker bar blues. If you like your blues hot and your rock to boogie then don't miss the Juke Joints from Holland, back by popular demand after their triumphant I.O.W. debut last year...

THE CADILLAC KINGS

The Cadillac Kings play a tasty mix of West Coast Jump, T-Bone Swing, Chicago Blues and Texas Shuffles, combining the warm fat tones of classic amplified harp and guitar, boogie piano, pumpin' bass, shuffle drumming and tough bluesy vocals.

THE SPIKEDRIVERS

The SPIKEdrivers play Delta blues at its very best, featuring the finger-picking and slide virtuosity of American guitarist **Ben Tyzack**. Boogie on down to a delicious mix of bump 'n' grind shuffles, toe-tappin' two steps and smouldering blues. Superb!

PETE G AND THE MAGNITONES

This fine band is fronted by blues harpman, and singer/songwriter **Pete G**, one of the most talented harmonica players and singer/songwriters in the country. **Pete G and The Magnitones** deliver a tight and rocking set of R&B and blues, which is just right for dancing!

DANNY BRYANT'S REDEYEBAND

Powerful blues/rock led by guitar virtuoso **Danny Bryant**. Danny is an awesome guitarist, with a great voice and exceptional song writing talents. This is blues/rock at its best!
